

Local Land Charges external release notice

Release number: 11_2 Release Date: 21/05/2024

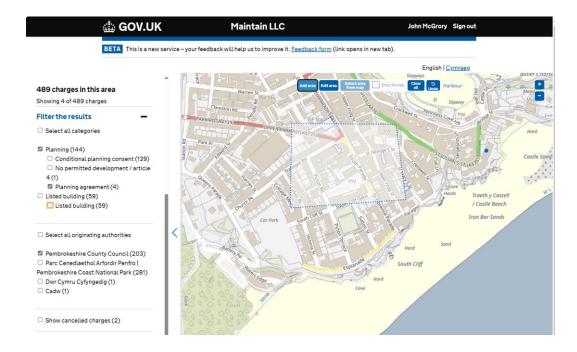

Service: Maintain local land charges

Improved filters in 'Find, update or cancel a charge'

Users who have permission to 'Find, update or cancel a charge' in Maintain local land charges now have additional filter options, enabling them to more easily narrow their search. In addition to filtering by charge category, users can now also filter by:

- Charge sub-category
- Originating authority

The filtering of the textual results has also been improved. When the filters are applied, only those charges revealed are displayed.
